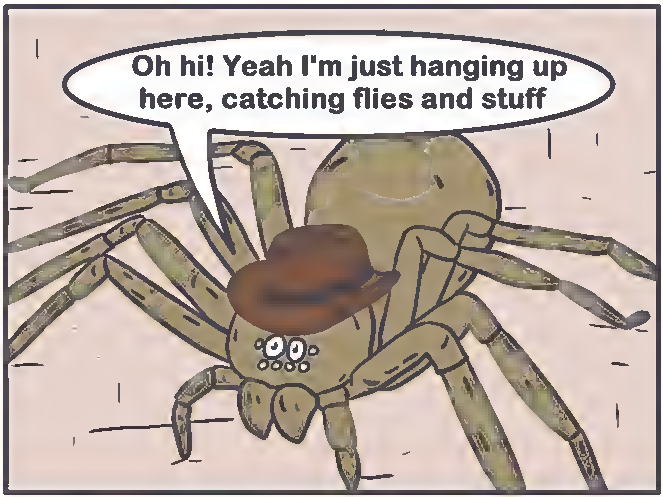
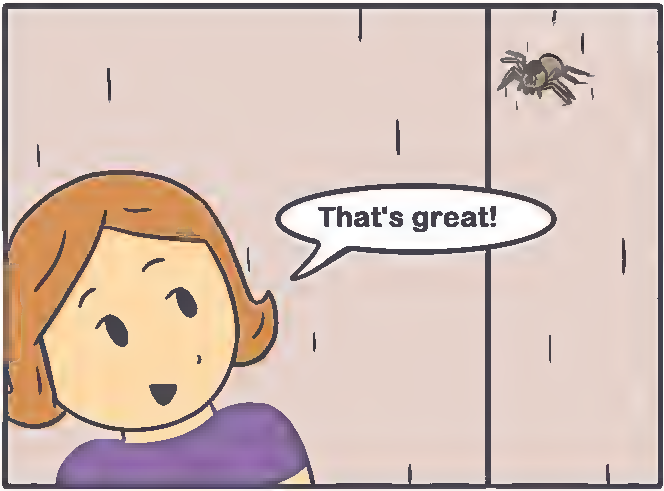
Oh, hello spider



Oh hi! Yeah I'm just hanging up here, catching flies and stuff

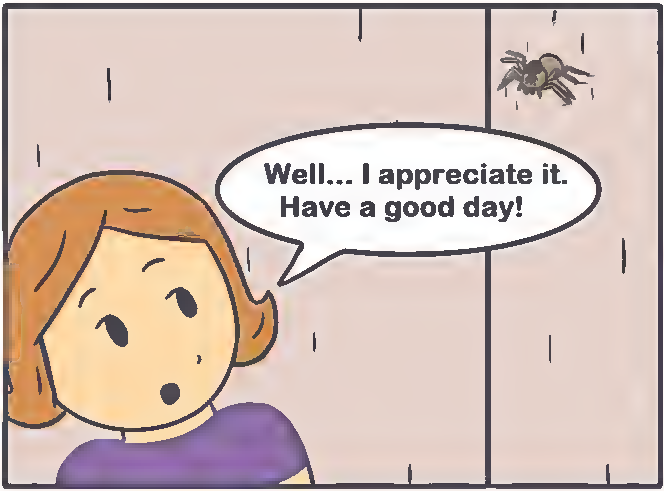


That's great!

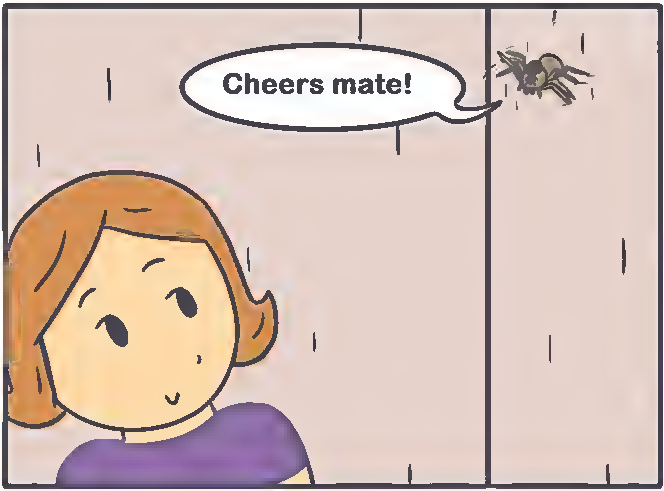
I hate flies! They are disgusting with their poopy hands!

Oh yeah, don't worry.
I take care of them

And by take care of them...
I mean... I eat them...



Well... I appreciate it.
Have a good day!



Cheers mate!

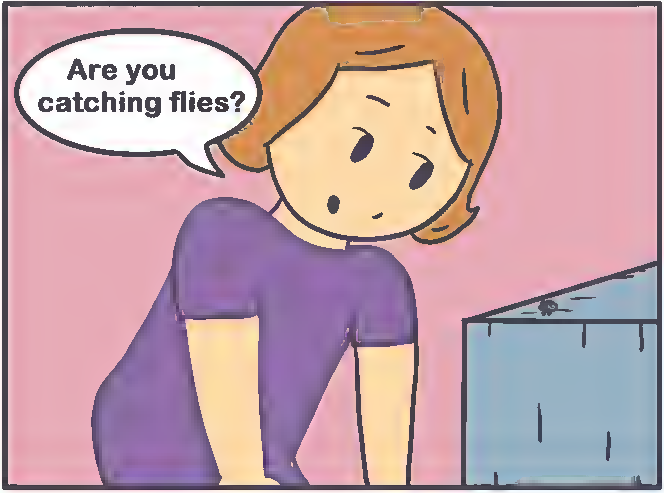
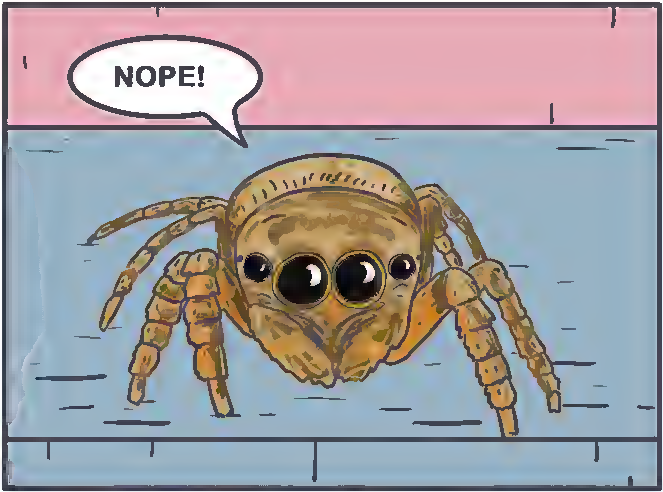
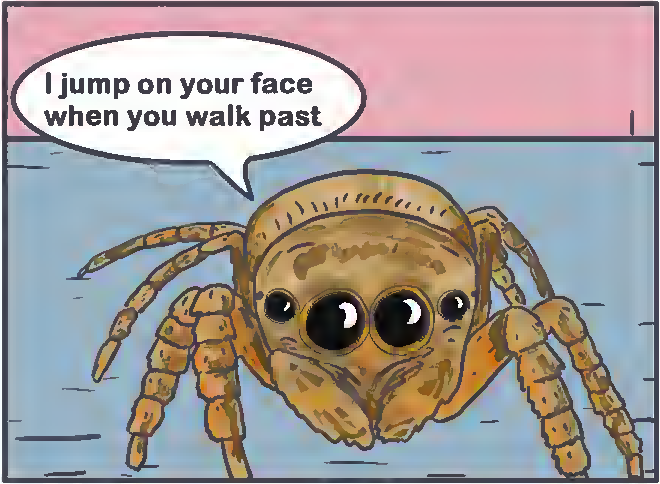
Hello spider!



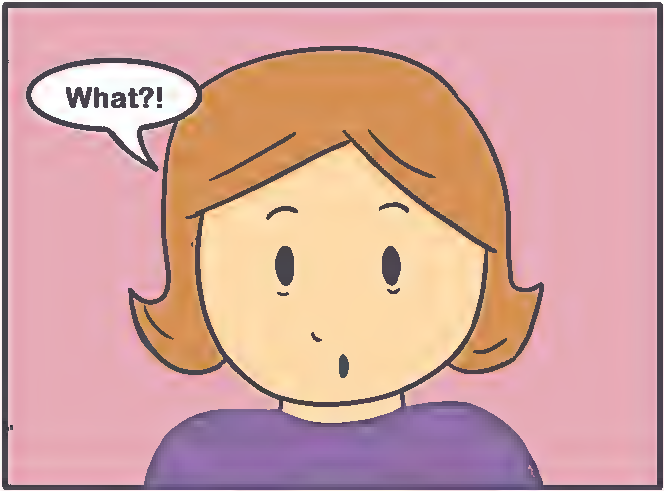
Are you catching flies?



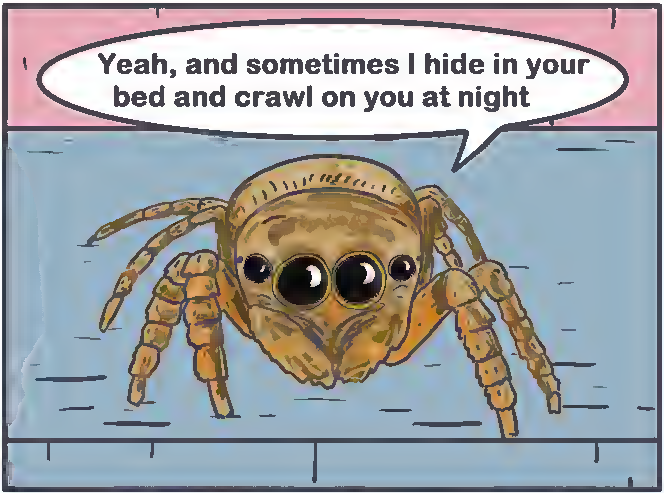
NOPE!



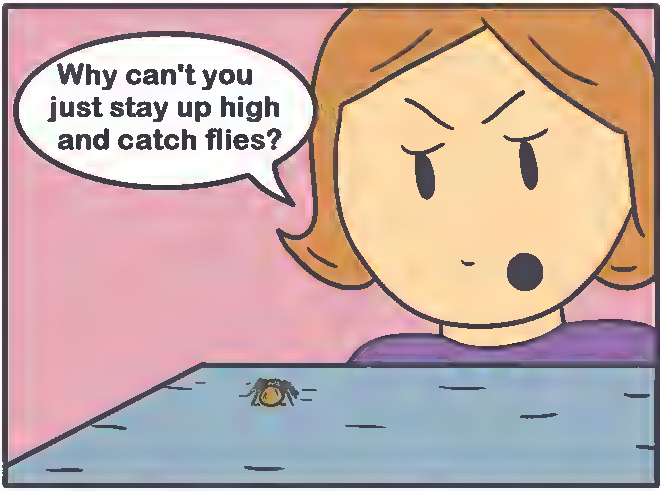
I jump on your face
when you walk past



What?!



Yeah, and sometimes I hide in your bed and crawl on you at night



Why can't you just stay up high and catch flies?

That's no fun
